Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ TP Flexible Income Fund, Inc. paid non-taxable return of capital distributions during 2019. The distribution amounts consisted of non-taxable return of capital distributions and ordinary dividend distributions. Please see attached for a detail of each distribution made.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The total return of capital distributions made during 2019 decreased each shareholder's basis by \$.58 per share.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ Each shareholder's cost per share after each distribution is equal to their previous basis per share less the non-taxable return of capital distributions described in the attached schedule. \$.58 represents the total decrease to each shareholder's cost per share had they received every distribution made during 2019.
